ABSTRACT: These directions are written in the format required for the abstract of the paper for the \textit{Automation 2011} (November 18–20, 2011, Yuntech, Taiwan). We advise you to download these directions as a MS Word document and use it as the template for your abstract because it contains all necessary formats and styles. The abstract should be at least 150 words, but not exceeding 500 words. Page margins should be 5 cm for top margin, 4 cm for right and left margins. Use font type Times New Roman, with single spaced lines. Title of the paper (style: “Paper Title”, 14 points, all caps, centered) could span in maximum two rows, and is followed by one blank line. Author’s names are written (style: “Authors”, 12 points, centered) with initials followed by dot, family names are written in full. Authors are separated by commas and marked with superscript when necessary to distinguish authors from different affiliations.

Author’s affiliations (style: “Author’s affiliations”, 12 points, italic, centered) are written in separate rows when there are more than one and last is followed by two blank lines. Abstract text (style “Paper text”, 12 points) is justified on middle; paragraphs are not indented, only separated by one blank line.

Keywords: automation, affiliation.
